

Tourism & Accessibility

LOCUS Girona Workshop
16 July 2008

sobreterodes 

What is a Segway HT?

sobrerodes 

- revolutionary transport mean
- dynamic stability
- ecologic, pedestrian & friendly

What is a Segway HT?

1990s: D. Kamen looks for a new device helping handicapped mobility

1999: D. Kamen founds Segway Inc.

2001: Segway HT unveiled to the public

2006: New generation released (Lean Steer)

Segway & mobility

sobrerodes 

Segway HT is not a handicap mobility device
Though that, people's imagination has brought
several good ideas from it's technology

What is sobrerodes?

- A sustainable entrepreneurship for city mobility
- Segway exclusive dealer in Girona county & part of the SegwayCat Group (major dealer in Catalunya)
- Girona Segway Tour: first urban tour guided by professional guides
- Ciclotourism & Greenways

Segway at work

- Fun & non-fatigating transitions
- Longer itineraries = larger sightseeing activity
- Reaching what walking visitors don't reach
- Entertaining culture tourism

Girona's challenge

- Medieval Age as the main attractive
- Medieval city = medieval streets
- Wheelchair's skills = segway's skills
- Hard to find ramps or easy accesses
- 3 guides & more than 2 days finding the best itinerary

Segway Tours Girona

sobrerodes 

- Itineraries up to 9 kms
- 1, 2 or 3 hrs routes
- Catalonia Official Tour Guides (Spain's pioneers)
- Theme routes: Jewish Quarter

Segway Tours Girona

sobrerodes 

sobrerodes commitment

- Sharing our experience & knowledge
- 6 Segways for field researches
- Escort participants through the city on Segway
